Material Safety Data Sheet

SUPERTRACE 6% IRON
Natural Organic Acid Chelated Fertilizer Solution

HAZARDOUS INGREDIENTS

Hazard Rating: (HMIS)
Health: 0 (Minimal)
Fire: 0 (Minimal)
Reactivity: 0 (Minimal)
Specific/Special Hazard: None

PHYSICAL & CHEMICAL INGREDIENTS

Appearance: medium green liquid
Odor: almost odorless
Density: 1.25
pH: 4.5
Solubility: infinitely dilutable
Evaporation Rate: (H₂O)
Vapor Pressure: NA
Vapor Density: NA
Melting Point: NA
Flash Point: NA

FIRE & EXPLOSION HAZARDS

Flammable Limits: NA
Extinguishing Media: Noncombustible; use H₂O, dry, foam, or fog.
Special Fire Procedures: None
Explosion Hazards: None
Stability: Stable
Conditions to Avoid: None

REACTIVITY DATA OR HAZARDS

Incompatibility: None
Decomposition: None
By-Products: None
Polymerization: will not occur

HEALTH HAZARD

Inhalation: None
Ingestion: Give large quantities of water. Give medical treatment for mineral-vitamin overdose.
Skin: Flush skin with soap and water.
Eye: Immediately flush eyes with water for approximately two minutes. Give medical treatment for exposure to acidic solution.

WASTE DISPOSAL

Follow SOLID WASTE federal, state, and local regulations that apply to nonhazardous organic fertilizers or organic debris.
